THE PARTY COLLECTION

Faithful to Michel Adam's vision of making **FASHION VODKA** accessible to a broader consumer segment, a premium version was also produced: **the Party Collection**. A vodka ranking at the top in its category, it is produced from selected fine Polish grains to deliver a noble, special-tasting mixture. Distilled four times and mixed with the purest, "live" water, the **FASHION VODKA Party Collection** is strained through a series of micro-filters before bottling. This ensures pure vodka of unique character and a soft, harmonious, well-rounded taste.

Designed to mirror the signature features of the **FASHION VODKA** family, **FASHION VODKA Party Collection** follows the principles of purity, clarity and simplicity with a design that successfully represents style and confidence. The extended use of gold colour in the overall product presentation makes the design more unified, conveys an extravagant mood and a reflection of high quality, as the spirit within.

FASHION VODKA Party Collection is for those who seek a fashionable lifestyle, are stylish, sociable, enjoy partying at home or in bars and clubs, work and play hard. For those whose sense of style and aesthetic sets them apart from the crowd; young, sharp, metropolitan, cultured. **FASHION VODKA Party Collection** is enjoyed fashionably and responsibly.
